

# **PRIVACY POLICY MODEL FOR MOBILE APPLICATIONS**

This privacy policy governs your use of the software application ShralpTide 2 (“Application”) for mobile devices that was created by Michael Parlee. The Application is a tool for displaying a predicted tide level at specific times and locations on ocean, lake and river shorelines.

## **What information does the Application obtain and how is it used?**

### **User Provided Information**

The Application does not request or collect any user provided information.

### **Automatically Collected Information**

The Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

## **Does the Application collect precise real time location information of the device?**

When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the nearest tide station locations and display a location map.

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

## **Do third parties see and/or have access to information obtained by the Application?**

No. We do not collect your information and will not share information with third parties.

## **What are my opt-out rights?**

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

### **Data Retention Policy, Managing Your Information**

No personal data is collected or retained by the Application.

### **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy <https://shralpmeister.github.com/shralptide2/privacy>. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

### **Your Consent**

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the State of California. If you reside outside the State of California your information will be transferred, processed and stored there under State of California privacy standards.

### **Contact us**

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at [shralpmeister@icloud.com](mailto:shralpmeister@icloud.com).
